

# **DESIRED QUALIFICATIONS AND CHARACTERISTICS FOR THE DUNELAND SCHOOL CORPORATION SUPERINTENDENT**

The Duneland School Board of Trustees, after consulting with staff, students and members of the community, have identified the qualities, which they desire in their new superintendent. The individual appointed will be:

- A respected, student-centered, educator with exceptional human relations skills;
- An authentic, compassionate, trustful person with the personal characteristics of honesty, fairness, and courage and the ability to unite the school's leadership;
- A skilled motivator and collaborator with the Board, the staff and the community;
- A person who will communicate effectively with internal and external stakeholders both in oral and in written form;
- A leader who will be highly visible in the schools and the Duneland community;
- A leader with the proven ability to inspire people to highest levels of achievement and accountability and spread the good news of the successes of the School Corporation;
- A visionary leader able to lead the Board, School Corporation and the community in providing optimal learning for all students through their expertise and knowledge of curriculum and instructional technology;
- A problem solver who is capable of identifying issues and rendering suggestions for improvement;
- A leader who shows appreciation to all staff for their efforts in providing students opportunities for success; and
- A consensus builder and team builder.
